Office of Financial Management

Number\* of Children Served by Children with Special Health Care Needs Program by Age Group: 2002-2004

\*The number of children served by age and gender may not equal the total number of children served due to non-reporting of gender or age for some cases. Where years are combined, numbers reflect some duplicated cases.

\*\*0 equals fewer than five or no cases in a category.

Source: Child Health Intake Forms, Children with Special Health Care Needs Program, Washington State Department of Health

Number\* of Children Served by Children with Special Health Care Needs Program by Gender: 2002-2004

\*\*0 indicates fewer than five or no cases in a category.

*"Children with special health care needs are children who have, or are at increased risk for, chronic physical, developmental, behavioral, or emotional conditions and who also require health and related services of a type or amount beyond that required by children generally."*

(Maternal and Child Health Bureau)
